

"I will take the cup of
salvation and call on the
name of the LORD."

Psalm 116:13

...is the theme of the next St. Clement Women's ACTS Retreat, that will take place May 31 – June 3, 2018 at Pallottine Renewal Center. A team of women has already begun prayerfully preparing to host the retreat.

If there is an aspect of your life where you would welcome some peace and/or renewal in your role(s) as a wife, mother, grandmother, daughter, sister, boss, employee, neighbor, or friend, then we want you to know that the Holy Spirit is already waiting to feed and refresh your soul. We invite you to consider whether He might be calling you to make this retreat.

If you are thinking about attending, it is possible that you might have some questions about a Women's ACTS retreat. Some of the most frequently asked questions are below.

- What is ACTS?

ACTS is a retreat experience that was started by parishioners in San Antonio, Texas that has renewed people's relationships with Jesus, parishioner to parishioner. It is centered on how we as Catholics can enhance our relationship with God and build a better, stronger faith community. The name "ACTS" is an acronym that stands for Adoration, Community, Theology, and Service. As you might guess, you will hear a little about each of the elements of the ACTS acronym on the retreat. Though it is sponsored by our parish, you do not have to be Catholic to attend.

- What is the most rewarding aspect of the weekend for the retreatants?

Most people comment on the friendships and sense of community that develop in the presence of the Holy Spirit as a result of spending time with one another in prayer.

If you have any questions, please feel free to contact one of us or visit our parish website: www.stclementcatholicchurch.org/acts-retreat

We would be pleased to have you join us.
